Dear Holidaymaker

Welcome to your 1992 Haven Holidays Brochure, with its bigger than ever choice of luxury caravan and chalet holidays all over Britain.

If this is your first year with Haven, you're in for a real treat. Haven means lots of fun for all the family on the widest range of Parks you'll find in any brochure.

A warm welcome too, to Warner holidaymakers. Now the Warner self-catering Parks are under the Haven banner, you can be sure of the same top value but with all the extra backing of the Haven reputation.

And a really big "welcome back" to our regulars. It's a matter of great pride for all of us that so many thousands of people come back to Haven year after year.

The secret of our success is not hard to find. Quite simply, we believe in giving you the very best — that means the best service, facilities, accommodation and entertainment. There's something for every member of the family, whether you're four or ninety-four. The children, for example, have all the fun of their very own Tiger Club with its games, competitions and all-round excitement.

Just as important, you always know where you are with Haven prices. Everything's included — colour TV, bed linen, gas and electricity, great entertainment, fun pools and playgrounds, slides, sports, the lot! And the prices all include VAT.

It all adds up to the best value-for-money plus real family freedom and holiday fun.

That's why Haven is your Number One choice for 1992. We look forward to welcoming you!

Yours Sincerely

John Murphy

John Murphy, Managing Director

P.S. Haven Parks are mainly self-catering. But you can enjoy the extra freedom and convenience of having meals provided at Caister, near Gt Yarmouth (pages 48-51) and Duporth in Cornwall (pages 98-101).

For example, we're spending millions of pounds on brand-new luxury caravans and upgraded standards of chalet accommodation. And we're building new fun pools, food courts, shops, clubs and fun palaces — to make sure that Haven stays your Number One choice. Look for the "NEW" symbol and full details in your brochure.

HAVEN CHOICE

Whatever you're looking for, you'll find it here. You have over 40 Parks — most are by the seaside, others are inland; some give non-stop fun and entertainment while others are more relaxing centres for exploring the area. But wherever you go, you'll find luxury super-equipped caravans or chalets for all sizes of party and a welcome that's warm and genuine.

HAVEN SERVICE

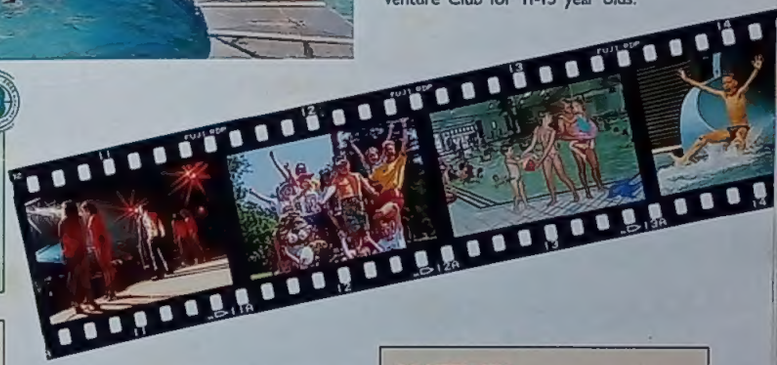

It's your holiday, so sit back and enjoy it! From the moment you first call our friendly Reservations team, we'll do all we can to make your holiday run like clockwork. HAVEN ENTERTAINMENT AND FACILITIES

The free family fun goes on and on — right through the day and evening and late into the night. Join in the organised entertainments and special events or make your own fun — the choice is yours. Enjoy a swim and a game of tennis or just relax with a peaceful stroll and a quiet drink at the bar. Then make for the club

The Haven Brochure

These days we are all more environmentally conscious, and Haven works hard to play its part too. All our brochures and mailing material are recyclable. They are all sourced either from recyclable material or from managed sustainable softwood forests, where 2 trees are planted for every 1 felled. In addition our paper is chlorine bleach free and contains no dioxyns (other than natural traces). No tropical woods are used in our paper production.

HAVEN–YOUR Nº1 CHOICE

By choosing this brochure, you're already on the way to a great holiday. Now just follow these directions to the Park that's tailor made for you and your family!

Whatever your perfect location is, and whatever sort of holiday you enjoy, you'll find it right here.

Haven's 41 Parks are right around Britain's coastline as well as inland.

Tents & Tourers are also welcome at most Haven Parks — many have special facilities and you're free to join in the fun and entertainment too! Look for the symbol and see pages 126-127.

HOW TO USE YOUR BROCHURE

No two Parks are the same — simply follow the right colour to your ideal holiday.

■ You'll see the map shows where each Park is located on Britain's lovely coastline or inland. Choose the general area you want to visit.

■ Each Park name is in a special colour. This colour-coding refers to different sorts of Park — and different types of holiday. The colours and types are all explained opposite.

■ As an example, if you want to visit the South-East for an All-Action holiday, you'd look for a red park in that area — Combe Haven. Then you'd turn to page 60 to find out more. It's as simple as that!

■ All the general information you need about entertainment, accommodation, special features and so on is in these first few pages.

■ Details on booking and other information is at the back, from page 126 onwards.

With each park you'll find a detailed map with places to see and visit shown. These are the symbols used.

- Building of Architectural Interest/ Stately Home
- Castle
- Leisure/Theme Parks
- Zoo
- Museum
- Steam Railway
- Coastal/Wildlife Park
- Golf
- Abbey/Cathedral
- Horse Racing
- Boat Trips
- Fun Fair

Lots of family fun and loads of value. These spacious Parks have been chosen for their great combination of entertainment and activities for all the family. The Parks are equipped to the highest standards and include heated fun pools, play areas, outdoor pools and a full range of leisure facilities.

HAVEN CHARACTER VILLAGES

The best of both worlds! These lovely holiday villages are in superb countryside locations but are also close to beaches and ideal for touring. The settings create an atmosphere of peace and quiet amidst landscaped lawns and gardens. At the heart of each Park is generally a country or manor house and this is where you'll find the cosy bars, and other amenities — the entertainment and family fun also takes place here. Join in or just relax in the beautiful surroundings — the choice and the freedom is yours.

HAVEN HIDEAWAY PARKS

Take things at your own pace. Hideaway Parks are attractive, comfortable and truly relaxed with just the right level of activity. Of course, it's up to you what you do — there's a pool, club, bar, shop and family entertainment. Each Park is set in neat and tidy gardens and is perfect as a base from which you can explore all the beautiful countryside and seaside.

Haven is *absolutely unique* amongst holiday companies. When we come to all major decisions that affect our younger guests, we ask them! — by consulting the Tiger Club Board. The Board is drawn from Tiger Club members nationwide, and it plays an active role in telling our main Board views and requirements of our younger guests.

More than half our guests are children, so we are careful to take note of what they say. Guests this summer will see a number of improvements that will make everyone's holiday just right, whatever their age — thanks to the Tiger Club Board.

The tremendous success of our Venture Club for 11-15 year olds means that even more parks are offering an exciting range of activities in 1992.

SUPER RANGE OF LUXURY CHALET ACCOMMODATION

Our 'home from home' range of chalets, bungalows, villas and lodges offers excellent value and comfort. You won't find a more tempting choice of holiday homes anywhere.

We have again invested large sums this winter in further improvements to equipment, facilities and comfort.

To make choosing easier we have classified all our accommodation into three comfort standards — Bronze, Silver and Gold.

The pictures and plans show typical layouts, but chalets, bungalows, lodges, villas and apartments do vary in style and layout from Park to Park. The photographs illustrate the high standard and quality of all our accommodation.

Guests booking half-board holidays at Duporth and Caister should note that accommodation is mainly of the studio room style, without a separate living room.

BRONZE, SILVER AND GOLD INCLUDE . . .

Bronze, Silver and Gold standards have a roomy, fully furnished lounge and dining area. Comfortable furnishings with co-ordinated carpet and curtains, and a lounge suite/sofa bed, plus of course—

FREE COLOUR TELEVISION

For starters try our Giant Aquaslide, then the twin lane dry toboggan run for more thrills. There's the Indoor Pool, Adventure Playgrounds, BMX bikes, water dodgems — and we mustn't forget the three long miles of sandy beaches!

And if all that doesn't tire the children out, our energetic Haven Mates certainly will with daytime and evening activities in the Tiger Club. Rest assured though, it's not only the children who are guaranteed a great time!

Activities for the grown-ups include swimming or relaxing by the pool, playing a game or two of tennis and pitch-and-putt, or visiting the many attractions of Scarborough and other interesting places in the area.

That's just during the day! Later on, things really hot up with cabarets, live bands, dancing, competitions and top-class acts in our main entertainment venues. One is just for adults, the other for all the family to enjoy. Churchills and Young Winstons offer a more relaxed atmosphere.

A holiday at Primrose Valley is one you'll never forget — nor will your family!

LATE NIGHT CABARET

Scarborough

Blue Dolphin is a fun-packed holiday location with plenty for the children, and plenty for you. Even our swimming pools are tailor-made to suit the whole family — you'll find an Aquaslide in the Indoor Fun Pool for the children to whizz down and a paddling pool for toddlers. The heated outdoor pool is ideal for mum and dad to have a dip and sunbathe.

There's our fabulous children's Fun Palace with lots of indoor play equipment that children of 5-13 years will really enjoy as well as a great Adventure Playground.

Our friendly Haven Mates will also keep the children entertained with a whole range of Tiger Club activities (daytime and evening).

Then from Spring Bank Holiday you've coach tours for a terrific day out for all the family. Or if you don't feel like venturing further afield, what could be more entertaining than fun-filled hours in Scarborough itself?

And back on the park try our great Dolphin Diner food court. Tasty meals are available for the whole family.

When the sun goes down, the fun really starts either with the children in the Family Club or on your own the Cabaret Theatre Club. You'll find dancing, competitions, professional cabaret — everything in fact for great entertainment. For a quiet moment there's the Smugglers Pub with its own patio to enjoy.

For a great family holiday, you couldn't make a better choice than Blue Dolphin.

Artist's impression of the new Fun Pool

Golden Sands is great! You've a new Indoor Fun Pool, plus there is an outdoor pool with an exciting plunging waterslide.

Children have a free adventure playground and a fabulous indoor fun palace, as well, so the fun is guaranteed whatever the weather.

Golden Sands also has its own Tiger Club with a full programme of further events for the children during the day and evening.

The Entertainment Centre has several venues including the Galleon Night Club where you'll find dancing, cabaret and competitions for the adults.

The Falcon Family Club — which is our family entertainment spot — also has its own competitions, dancing and other fun and games for the children. There's the Games Room with pool, snooker and darts too — the action goes on and on.

For food and drink you're spoilt for choice. Try the fish restaurant or takeaway, or relax over a drink in Flickers Cocktail Bar. How about soaking up the sun on the Golden Hind roof terrace with a drink to keep you cool?

As a change from days on the wide sandy beaches head for a day out — why not visit the famous historical beauty spots of Lincolnshire — from Lincoln with its superb Cathedral to Market Rasen for a day at the races.

For an unforgettable holiday that guarantees plenty of fun and plenty of action, come to Golden Sands.

Thorness has a great indoor Fun Pool, and the fun of a whizz down the Aquaslide. When you're not in the water, there's plenty of other activities going on. The very young have their own playroom. Other children have the Tiger Club with daytime and evening activities to keep them happy.

For grown-ups, there's a game of pool, a few rounds on the putting green or perhaps a spot of pony trekking.

We've lots to offer in the evenings too. Children have their own entertainment programme. Mum and Dad might have a quiet drink in the Solent Bar. Then it's time to join the family games, competitions, cabaret and dancing in the Cruisers Club.

No matter what you're looking for in a perfect holiday, you'll find it all here at Thorness Bay.

Haven TIGER CLUB

*** SPECIAL Interest * HOLIDAYS**

- **24-26 April — Cabaret Plus.** A fabulous weekend with Star Cabaret acts in a quality entertainment programme.

When it comes to choosing a holiday park with a perfect location, you couldn't ask for more than Sandhills. It's right on the seafront overlooking Christchurch Bay and only a few miles from the attractions of Bournemouth.

You'll find our luxury holiday homes in the wooded grounds of an 18th century Manor House with the big sandy beach just a few steps away. With the park's heated outdoor pool also waiting for you, you'll probably spend most of your time in the water.

The beauty spots like Mudeford Quay with its lobster pots and fishing boats, the New Forest, and Isle of Wight are all on your doorstep.

In the evening there's the Family Club with games, shows and discos for the children at the Tiger Club. Dancing, cabaret or a quiet drink await Mum and Dad.

Children will love our great Aquaslide that plunges down into the outdoor pool. Just wait until they try the River Run — a cascading waterslide ride:— it's the best fun ever!

For young and old alike there's an indoor Fun Pool and slides and waterfalls. Even the toddlers have their very own indoor and outdoor paddling pools with water tower and mini slides to splash about in too. And there's our great Children's Indoor Fun Palace. It's all happening at Devon Cliffs.

If there's any time left, then children have a lively programme of day and evening events at the Tiger Club.

Meanwhile you can take it nice and easy with a cool drink or snack at the Continental Bar, or browse around the shops, several of which are NEW for 1992.

Try our fabulous Food Court where you're really spoilt with a choice of inexpensive meals and takeaways.

There's a great choice of entertainments too, for all the family at Devon Cliffs.

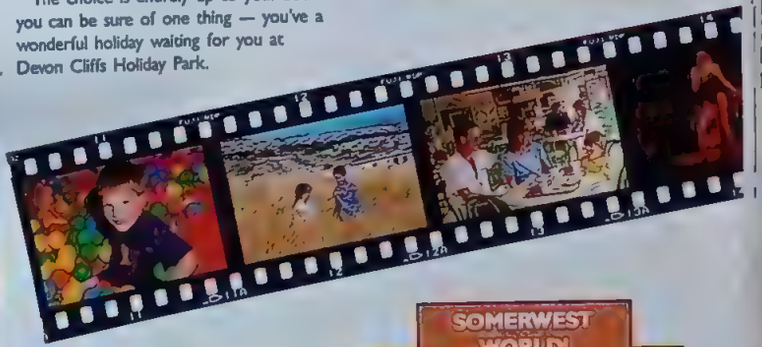

Capones Cabaret Club offers top class music, competitions and cabaret. There's great family entertainment in the Holidaymaker with "Bugsy's" and "Coco's"

Children will be kept busy with the Tiger Club's daytime and evening entertainment or at the space-age fun palace.

After a fun-packed day there's the evening to come! You can choose between family entertainment in the Oasis, and top-line cabaret in the Surfrider. Day or night, Perran Sands will ensure you have a really great holiday.

That's because Haven is also your No. 1 choice for any family with its own tent or touring caravan and you'll be given a great welcome at many of our top parks. These are set in some of Britain's most beautiful scenery, often right next to the beach.

The amenities at every park have been specially planned to give tenters and tourers just what they need. There's always FREE hot water and showers as well as optional electrical hook-ups.

Best of all, you can also use all the other facilities the park has to offer FREE. That means you can enjoy everything from an early morning swim to the late night cabaret, without it costing you a penny more. Each park is different and provides different facilities, so check through the brochure to see what's on and where.

When you add up the free amenities, free entertainment and great locations, you'll see why we say that you can't beat Haven for value. And if you're still not sure, the price panel will soon convince you! Remember, unless the brochure says otherwise, our prices include all entertainment and facilities.

To find your perfect holiday, choose a park from these pages and check its entry in the rest of the brochure. Then simply book direct with the park. As you'd expect, Haven parks are very popular, so please book early!

Please note that not all parks accept tents and that there are three extra parks not featured in this brochure — Riverside (Northumbria), Heacham Beach (Norfolk) and Suffolk Sands (Suffolk). Details of these parks, and all the others, are in the Haven Tenting and Touring brochure which is available by calling **091-417 4141.**

Affordable new and pre-owned holiday homes. These modern holiday homes are roomy and superbly equipped with 2 or 3 bedrooms, providing accommodation for all the family. ***March-October at some parks*

UNBEATABLE CHOICE

With the UK's No 1 your choice is enormous. For example, the ideal, for some, is the exclusive owner-only site at Solent Breezes — a good sailing base with its own moorings on the Hampshire coast. For others an action-packed, non-stop holiday centre like Primrose Valley on the Yorkshire Coast, spells perfect bliss. And for those whose idea of heaven is a relaxing hideaway in the Garden of England — Alberta in Kent is the answer.

For family fun and enjoyment a Haven Family Park, such as Ty Mawr or Brynowen in Wales is hard to beat.

With so many Haven locations to choose from you're sure to find one that's just you, where you'll enjoy wonderful holidays for years to come.

Your accommodation is available from 4pm on your day of arrival. So that it may be prepared for our next visitors, we do ask you to vacate accommodation by 10am on the day of your departure.

Tent or tourer pitches are available from 4pm and should be vacated by 10am on the day of your departure.

If you expect to arrive after 8pm please advise your Holiday Park so that appropriate arrangements can be made. Unless previously notified, accommodation must be claimed by 10pm on the booked arrival date, or we have the right to re-let.

COTS AND HIGHCHAIRS

Cots for chalets may be hired at a charge of £5 per cot per week inclusive of VAT. We do not recommend the use of cots in caravans as they do not fit in the bedrooms. However, cot rails are available free of charge for bunks/single beds in all our Haven caravans. (Our caravans are designed to take ONE COT RAIL ONLY PER CARAVAN.) Please therefore indicate on your booking form if you require a cot rail or cot. Please bring your own cot linen. A limited number of highchairs may be hired at most Parks. Please enquire direct to the Park of your choice.

HIRE SERVICE

A variety of holiday extras can be hired from the hire service on your arrival at your Park. Please ask for details at Reception.

Parks where dogs are not accepted are clearly shown on the individual Park pages. Where dogs are allowed they must always wear a collar and identity tag and be kept on a lead under the control of a responsible adult at all times. Dogs are not allowed in the facility buildings, in the swimming pool areas, in Super Luxury, Elite or any type of 1992 caravan, or Gold and Silver category chalets. These restrictions do not apply to guide dogs.

Certain breeds of dog are **not allowed** on **any** Haven Parks, in order to maintain the safety and well-being of all our guests. Breeds not allowed are Pit Bull Terrier, Japanese Akita, Wolfhound hybrids, Japanese Tosa, Neapolitan Mastiff, Rottweiler, Dogo Argentino, Fila Brasiliero. This list is subject to change and guests will be notified at the time of booking about any changes.

DISABLED AND HANDICAPPED GUESTS

We will be happy to provide as much advice and information as possible to disabled or handicapped people wanting to holiday at our parks.

However it is *vitally* important that you give us as much information as possible about the nature of the disability or handicap, so that we can ensure you get the most enjoyment from your holiday. Please confirm your requirements in writing when forwarding your Booking Form.

YOUR COMMENTS

We always welcome your comments about our holidays. If, however, you run into problems while on holiday please contact our park staff or manager. In almost every case they can help on the spot, ensuring an enjoyable holiday. In the event of complaint, again please contact our park management who should be able to help. If not, then you should write to our Customer Service Department, no later than 14 days after the end of your holiday.

CONDITIONS OF BOOKING

A contract is made upon acceptance of the booking by Haven Holidays ("The Company") and is subject to these Conditions of Booking. Haven Holidays is a trading name of HavenWarner Limited, a wholly owned subsidiary of The Rank Organisation Plc.

1. The person signing the Booking Form does so on his/her behalf and on behalf of all other persons named on the booking form ("the Applicants") as if they were contracting parties. The person signing must be aged 21 years or over.

2. The Applicants undertake not to do on their own part or permit to be done by persons under their control anything which may in the opinion of the Management at the Holiday Park be or become a nuisance, or annoyance or which shall in any way interfere with the quiet or general comfort of other guests at the Park.

3. Only Applicants shall be entitled to occupy the accommodation allocated for their use and any breach of this condition shall entitle the Company to terminate the booking and to exclude forthwith from the Holiday Park both the unauthorised persons together with the applicants themselves. Upon such termination the Applicants and unauthorised persons shall be deemed to be trespassers. The total number in any party shall not in any circumstances exceed the advertised capacity of the accommodation allocated.

4. The booking form shall also be treated as an application by each person listed for membership of any Club that may operate at a Holiday Park in respect of which there is included a subscription of 5p within the holiday tariff that is payable.

5. Neither the Company nor its servants or agents can accept liability for any death or personal injury, loss or damage which may be sustained by the Applicants or their property during the period they or any of them are at the Holiday Park except where it arises from the negligence of the Company, its servants or agents.

6. The appropriate deposit must accompany the application and it acts as a booking fee which will be non-refundable if a booking is cancelled. ALL CANCELLATIONS MUST BE NOTIFIED IN WRITING.

The date of cancellation is when notification is received by the Company.

7. The balance of the tariff is payable 56 days before the commencement date of the holiday and failure to make such payment will be treated by the Company as a cancellation of the booking, in which event Condition 8 will apply.

8. In the event of a booking being cancelled within 56 days of the commencement date of the holiday the Applicants will be liable to the Company for a proportion of the total holiday cost (including the deposit which is automatically forfeited — see clause 6), in accordance with the following scale:

Cancelled between 56-14 days before commencement —	30%
Cancelled between 13-1 day before —	60%
Cancelled on day of arrival or afterwards —	100%

9. If a Holiday Park or the accommodation chosen is not available for whatever reason for the period during which the Company has accepted a booking, such booking will be transferred to an alternative Park or accommodation acceptable to the guest at no extra tariff, or if not acceptable and at the guest's option, any remittance paid in advance will be refunded.

10. Accommodation and touring pitches are available from 4pm on the stated day of arrival and must be vacated by 10am on the day of departure. Reservations will not be held after 10pm on the day of arrival unless prior arrangements have been made with the Company. Such accommodation together with the furnishings, fittings, utensils and other effects must be kept in a reasonable condition and left in such state upon departure. The Applicants will make good to the Company or pay for all items of furniture, fittings, utensils and other effects as shall have been broken, lost, damaged or destroyed during the period of their occupation.

11. The Holiday and Travel Insurance Scheme plus the car insurance scheme offered by HavenWarner, are not included or available to persons occupying a Tourer or Tent pitch. We recommend that you obtain separate cover for these holidays. In respect of tenting and touring bookings that are cancelled, refunds will only be available for those holidays where written notification is received by this office at least 48 hours prior to the commencement date.

12. The Company reserves the right to decline a booking if in the opinion of its management the constitution of that booking party may lead to a situation that could prejudice the enjoyment or safety of other guests or staff. The Applicants will not do anything which in the opinion of the management at any HavenWarner Park constitutes a nuisance or interferes with the quiet or general comfort of other guests. If Applicants fail to comply with this condition their booking may be terminated and they will be asked to leave the premises. After this time they will be trespassing. No whole or part refunds will be made if Applicants are asked to leave under the terms of this condition.

13. An amendment fee of £10 will be charged for each amendment or alteration made to a confirmed booking after the balance due date shown on your invoice.

14. Most breeds of dog are allowed in some accommodation at certain parks at a charge of £25 per dog per week inc. VAT, up to a maximum of 2 dogs per unit. Please check park details and enquire at time of booking for accommodation availability.

Dogs must at all times be kept on a lead and under the control of a responsible adult.

In order to protect the safety of all our guests certain breeds of dog are *not allowed* on *any* HavenWarner Park. These are any dogs of the types known as Pit Bull Terrier, Rottweiler, Wolfhound hybrids, Neapolitan Mastiff, Japanese Tosa, Japanese Akita, Dogo Argentino, Fila Brasiliero and all cross-breeds of those listed. This list is subject to change and guests will be notified at the time of booking about any changes to this list.

The Company reserves the right to require the owner of *any* dog to remove that dog from any Company Park or property should the Company consider that the dog constitutes a nuisance or interferes with the quiet or general comfort of other guests.

15. Certain Caravans/Chalets are sub-let by the Company on behalf of private owners who are not registered for VAT. In such cases the price shown in the brochure does not include VAT on the booking charge but it does include a handling fee (plus VAT thereon). In any event the price shown in the brochure remains the same.

16. Where ferry travel or rail travel is supplied as a component of the holiday, all members of the party are subject to the terms and conditions of the service operator(s). Details available on request.

17. Prices shown in this brochure include VAT at 17.5%.

The Company reserves the right to amend the VAT taxable element of the charges, in the event of a change in the rate of Value Added Tax. The Company also reserves the right to amend prices where the amendment arises as a result of governmental action.

18. Layout plans and illustrations in this brochure are for guidance purposes only. They are not drawn to scale, and furniture and the positions of furniture within rooms may vary.

19. The Company will endeavour to provide all the facilities and entertainment advertised in the brochure or elsewhere but reserves the right to make changes to those facilities. All information, transparencies, accommodation descriptions and inventories have been compiled from the most accurate information available at the time of going to press. Photographs of the Parks are illustrative and not all items shown will be identical at all Parks.

IMPORTANT NOTE: This brochure has been published prior to the issue of regulations under Section 2 (2) of the European Communities Act 1972. This may affect the contents of this brochure, and we advise you to check with us or your travel agent prior to booking for any alterations required as a result of the implementation of this regulation.

HAVEN — HELPING YOU SAVE ON TRAVEL

TRAVELLING BY TRAIN

Haven has negotiated some very special fares for you for 1992 with British Rail. Our special fares are available whatever the length of your holiday, but must be booked (and paid for) no later than 2 weeks before the start of your holiday.

Simply look at the map for your holiday destination, and check the colour of the county where your rail journey begins. You can then see on the price chart the fare that applies to you. The prices shown are for adults. Children aged 5 to 15 inclusive travel at half fare, and under 5s go free! Please note that these fares are based on British Rail's normal full price rate.

If you are travelling to the Isle of Wight by train, your ticket does not include the cost of ferry or hovercraft to and from the island. Tickets for foot passengers are available at the ferry terminals.

To book your rail tickets simply complete the section on the Booking Form, and we'll do the rest. Your ticket (covering the whole party booked) will be sent to you about 2 weeks before your holiday. Please note that, once tickets have been issued, neither changes nor refunds can be made. Individual park pages give details of the nearest railway station, and its distance from the park; however, transfers between station and park are your responsibility.

Haven's policy of offering you the very best value even extends to getting you to your holiday park!

For guests wanting to travel by train, or for those travelling by car to the Isle of Wight, we can make your holiday travel arrangements even easier — and at very attractive prices!

You can book your travel at the same time as your holiday, knowing that our expertise is behind you all the way. Look at the details on these pages.

TRAVELLING BY FERRY to the Isle of Wight

To help our guests travelling in their cars to our parks on the Isle of Wight, we are able to provide an advance booking service for the Isle of Wight car ferry services at particularly attractive rates. We are able to book on your behalf the following services —

RED FUNNEL SERVICES
— Southampton to Cowes
WIGHTLINK
— Portsmouth to Fishbourne
WIGHTLINK
— Lymington to Yarmouth

We do recommend that you book your ferry through us. Not only does it make booking fuss-free for you, but ensures you get a place on the ferry. Peak season sailings, especially at weekends, book up very quickly. Turning up "on spec" at the port could prove frustrating and expensive!

Our fares represent excellent value — especially for our Off-peak Saver! In addition the cost covers a return crossing for any size of car and up to a maximum of 6 passengers. You must use the same route for both outward and inward crossings. You must book no later than 2 weeks before the start of your holiday. Tickets are despatched about 2 weeks before departure. To book simply complete the appropriate section of the Booking Form.

OFF-PEAK SAVER*

Certain holidays can be taken (subject to availability) with Friday or Sunday start dates in the off-peak periods up to 10 July and from 13 September.

For your ferry crossing we will charge you just £42 for the return crossing to the Isle of Wight for a car and up to 6 passengers.

**Excludes Spring Bank Holiday*

SHORT BREAKS OFFER!

For guests travelling to the Isle of Wight for Short Breaks we are able to offer a return ferry crossing for your car and up to 6 passengers for just £39.

Valid for up to 5 days for departures — excluding Saturday — from Monday 27 April to Monday 13 July inc., and from Monday 14 September.

RETURN FARES (Car and up to 6 passengers)	availability (all dates inclusive)	Fare
OFF-PEAK SAVER	Easter, Fridays and Sundays *only* up to 10/7 and from 13/9	£42
LOW SEASON SATURDAYS	Saturdays from 25/4 to 11/7 and from 5/9	£50
HIGH SEASON	from 18/7 to 29/8	£60

If you are taking a trailer please contact us for the appropriate rates.
For any other vehicle, e.g. minibuses, please contact Wightlink/Red Funnel direct.
